

The Neshoba County Fair Association Board of Directors voted into effect the following rules concerning Summer Activities at the Fairgrounds.

1. The Board approved an order directing that there be no outside display of any signs, banners, place cards or any other form of advertisement of an alcoholic beverage. This includes free hanging or standing signs or those attached to cabins which are visible from the outside.
2. There shall be no activities conducted on the Neshoba County Fairground at any time for which a product or products are sold nor where food items are purchased except for those contracted with the Neshoba County Fair Association. This includes any activity intended to be a fund raiser.

ATTENTION ALL CABIN OWNERS: CHANGES HAVE BEEN MADE CONCERNING UTILITIES AND WATER AT THE FAIRGROUNDS.

1. Electricity in the residential area of the fairground will be **connected on the first Monday following the first Saturday in May and disconnected on the second Monday after each fair.**
2. Everyone is expected to conserve electricity. DO NOT leave air conditions running through the week or weekend if cabin is not occupied.
3. **Each fair cabin owner or occupant is required to disconnect ALL electrical appliances at the close of the fair and TURN THE MAIN BREAKER OFF IN THE SWITCH BOX.**

4. **Cabins with POWER BREAKER on at the time the power is restored in May WILL HAVE THEIR SERVICE LINE TERMINATED. A RECONNECTION FINE OF \$500.00 WILL BE ASSESSED. Service will NOT be restored until the \$500.00 FINE IS PAID. This will be strictly enforced.**
5. Water in the residential area will be turned on the first Monday following the first Saturday in May.
6. Each cabin owner or occupant is required to cut off the water at the main valve of the fair cabin before cold weather.
7. If water is observed running freely from your cabin, a **\$50.00** fine will be assessed. The cabin owner will be invoiced from the Neshoba County Fair Office.
8. Everyone is expected to conserve water prior to and during the fair.
9. To disconnect and reconnect power to a new or existing cabin for construction, maintenance or repairs, cabin owner will pay fair association a fee of **\$100.00**. Fee will be invoiced to cabin owner.
